

Aim:

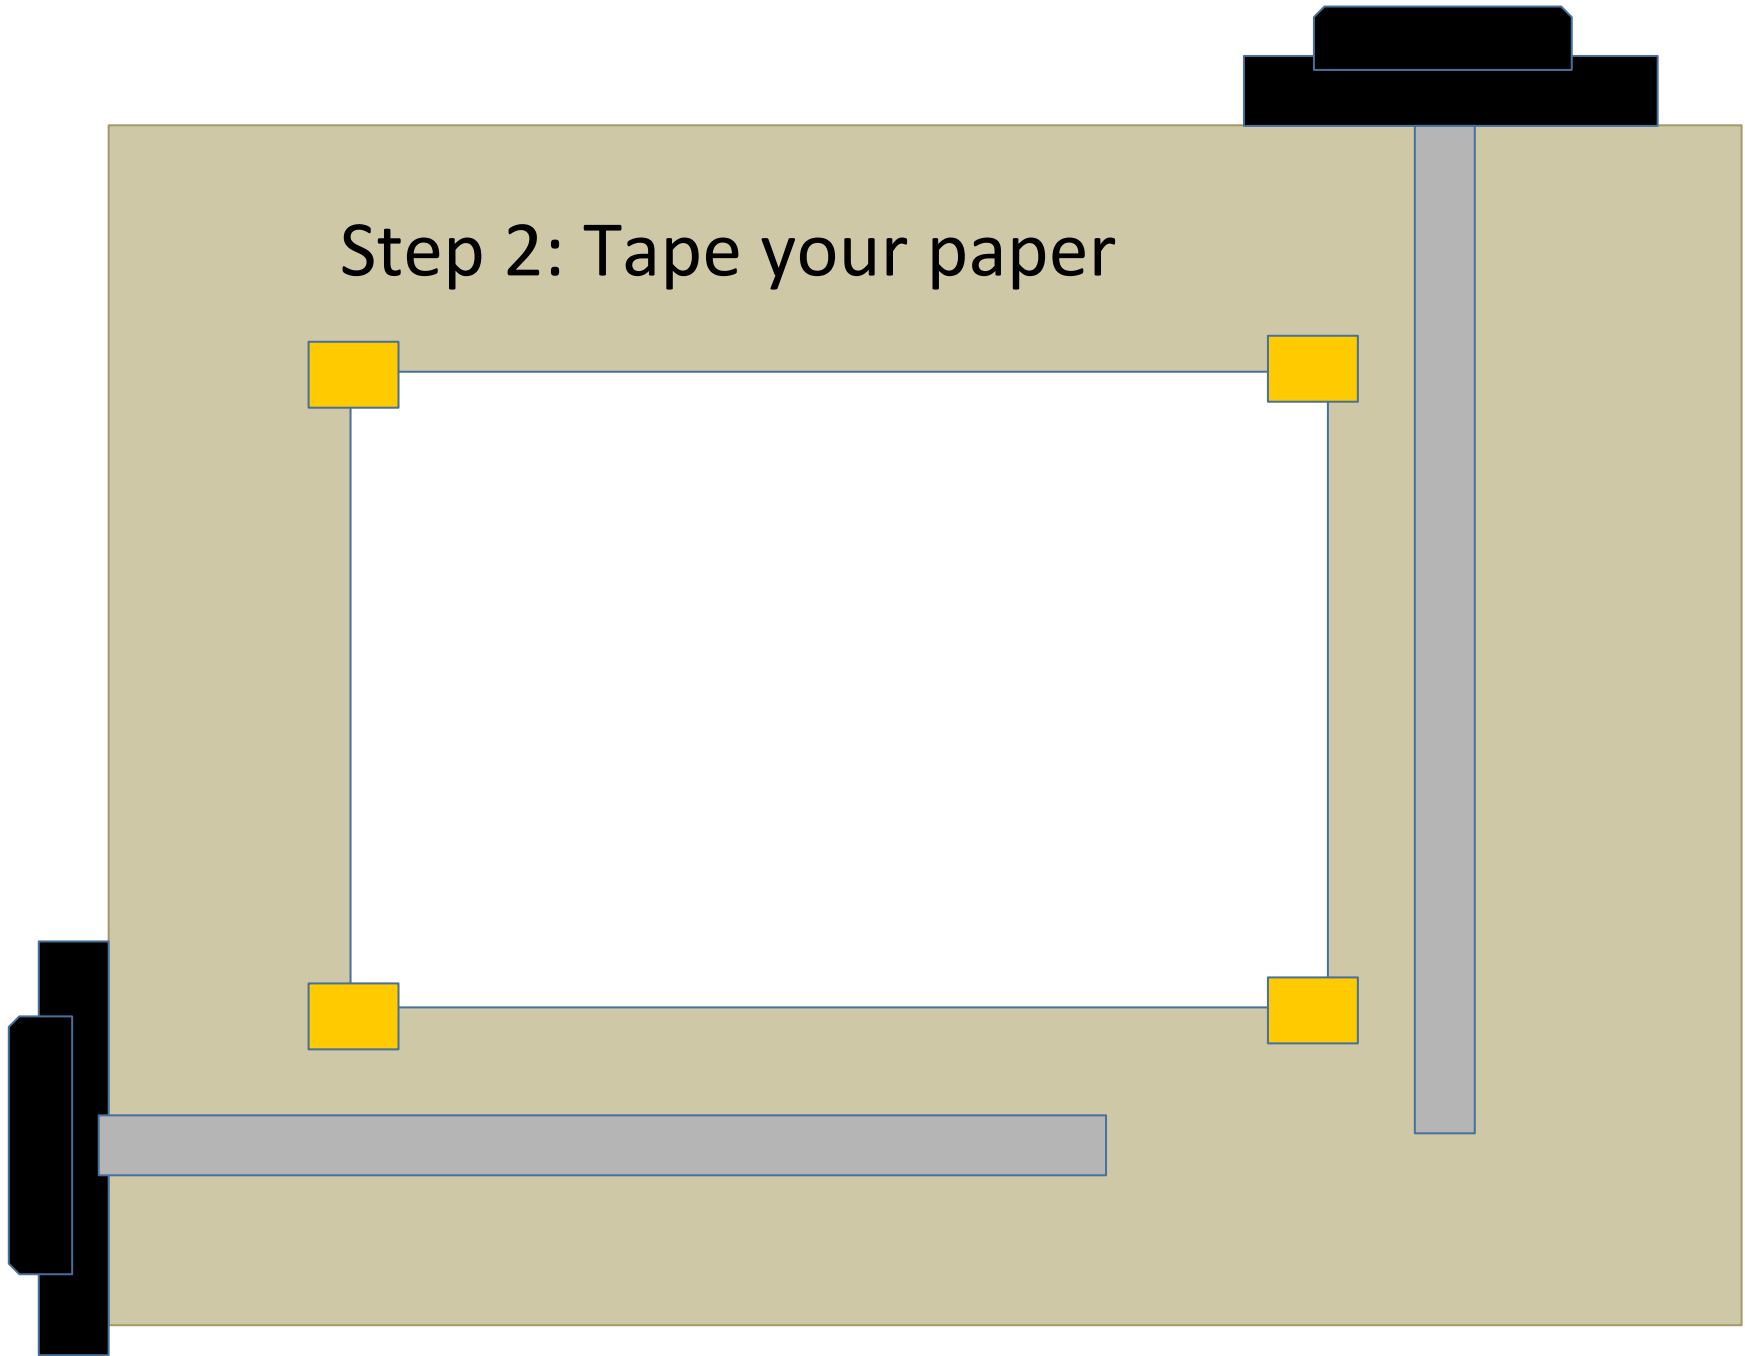

How do we create a Title Block?

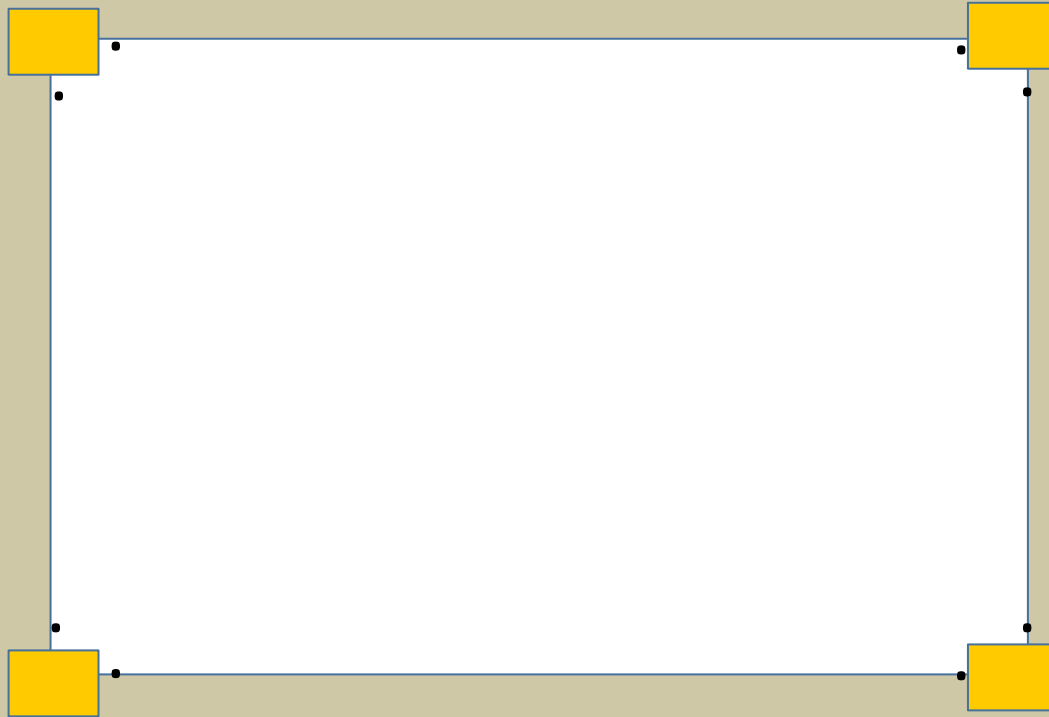

Step 1: Align your paper using the T-Square

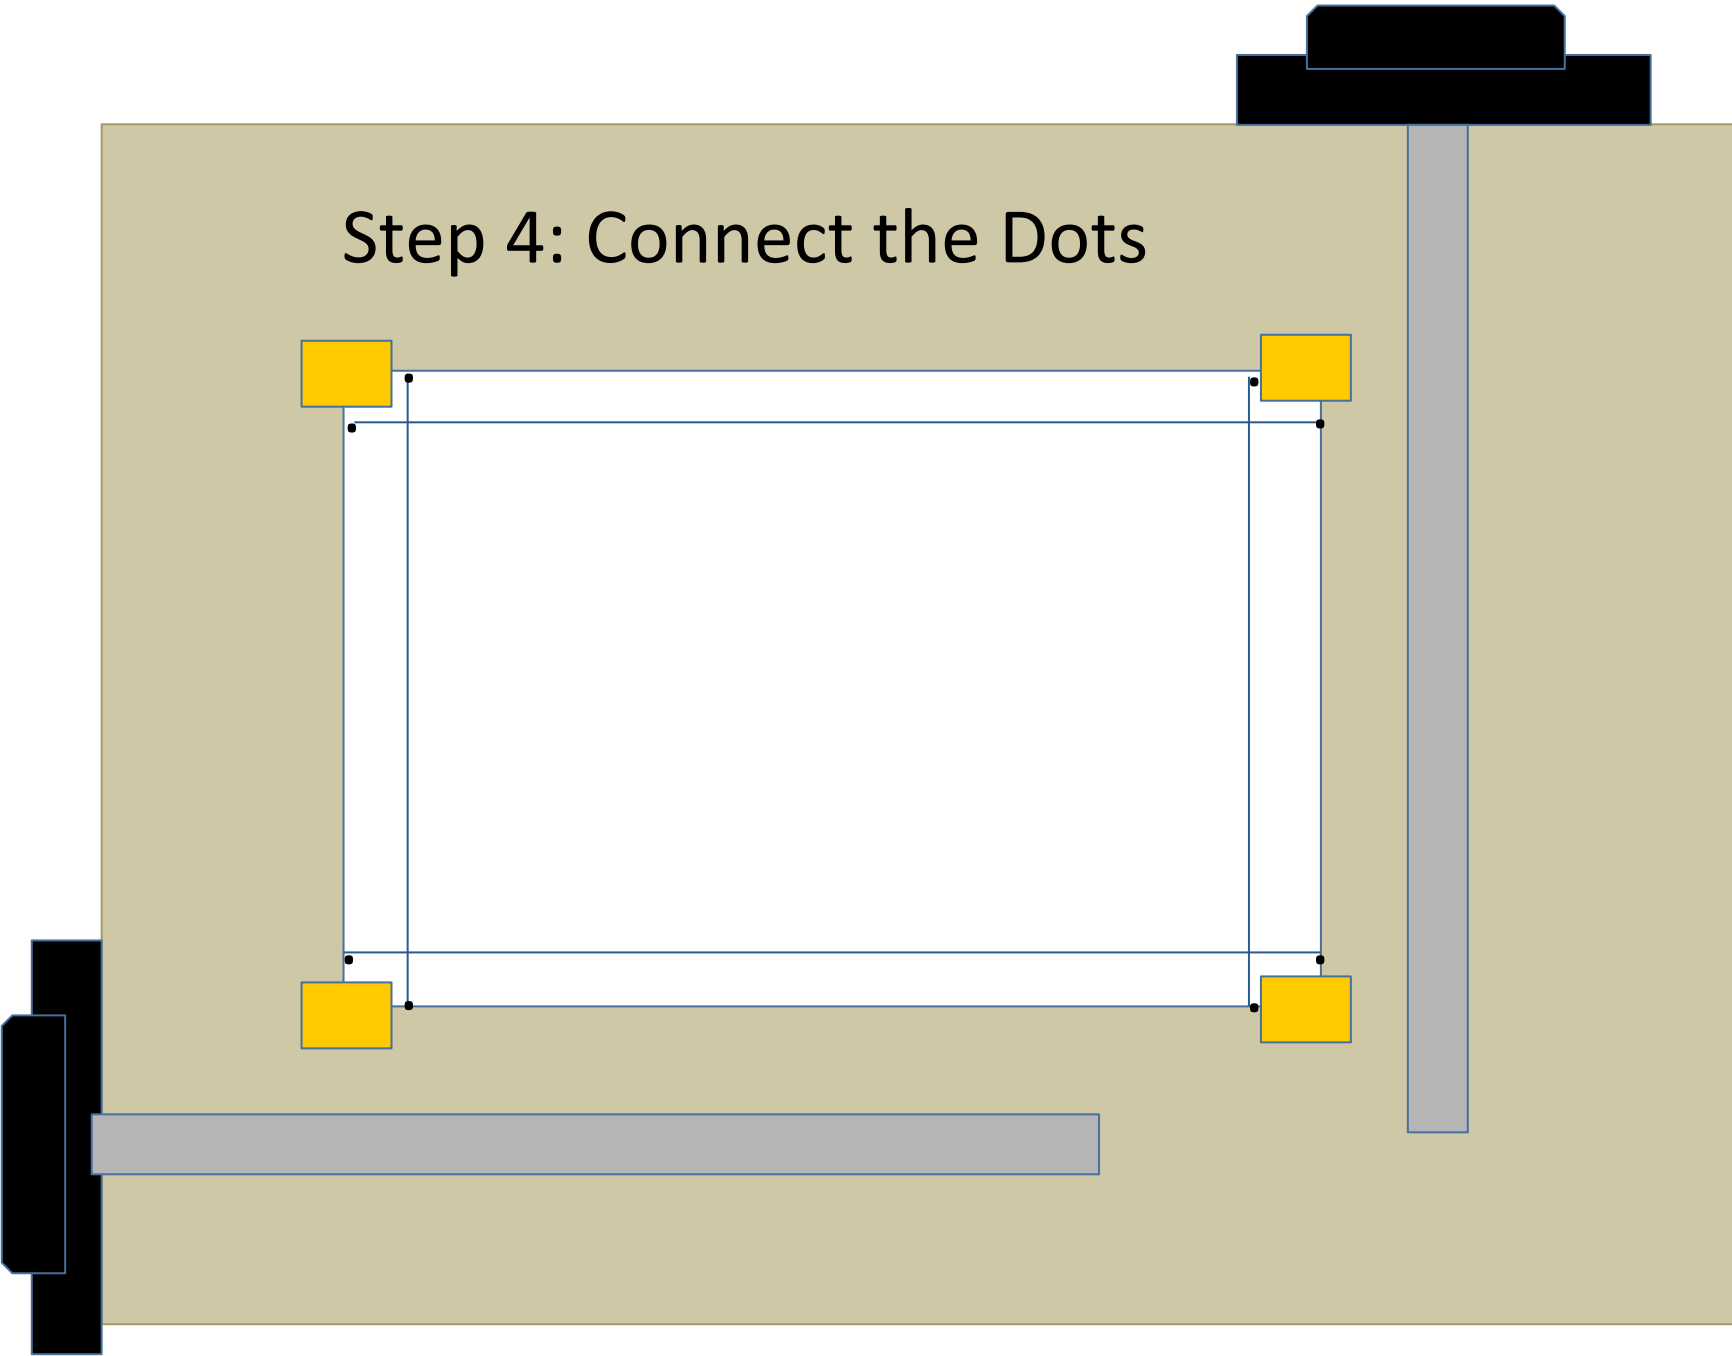

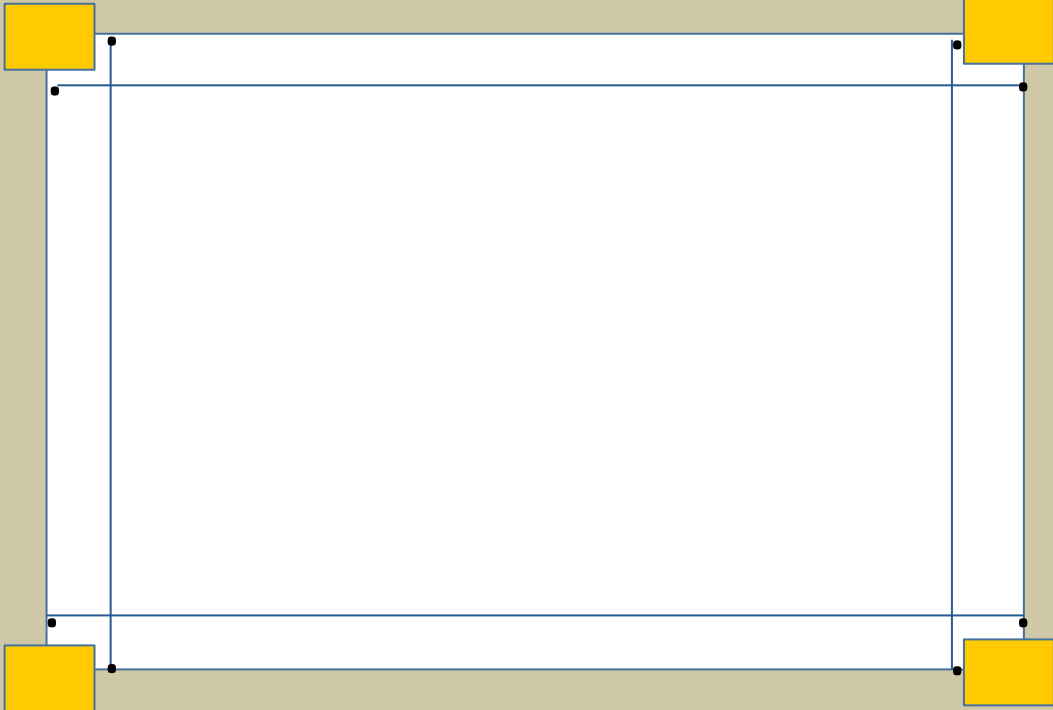

Step 2: Tape your paper

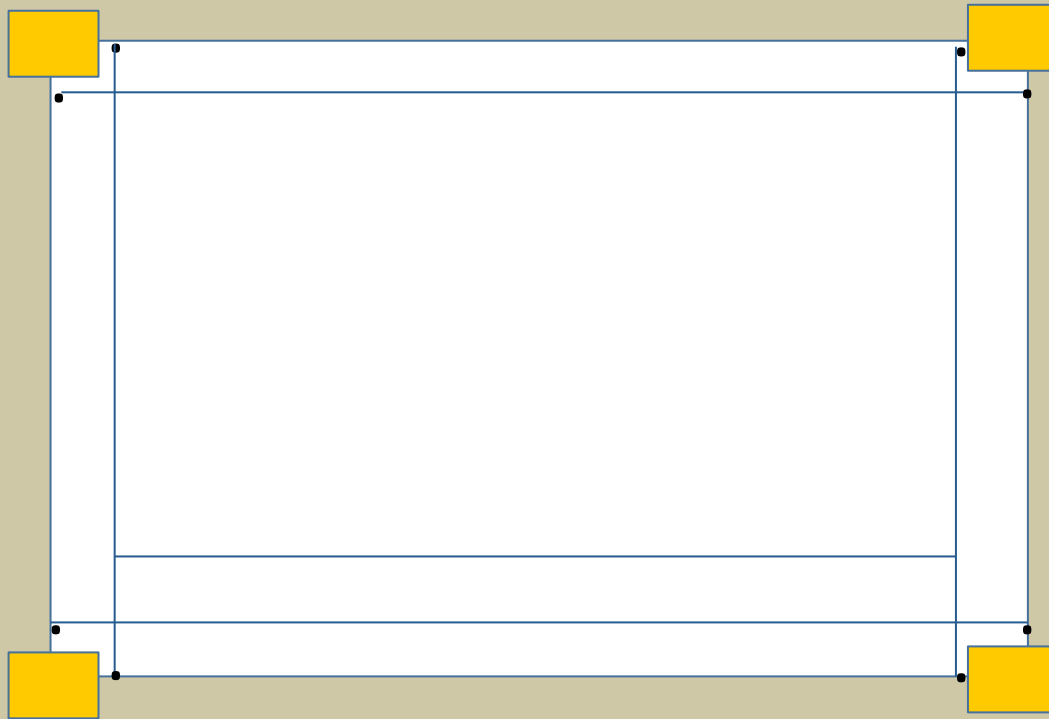

Step 3: Mark $\frac{1}{2}$ " all around your paper

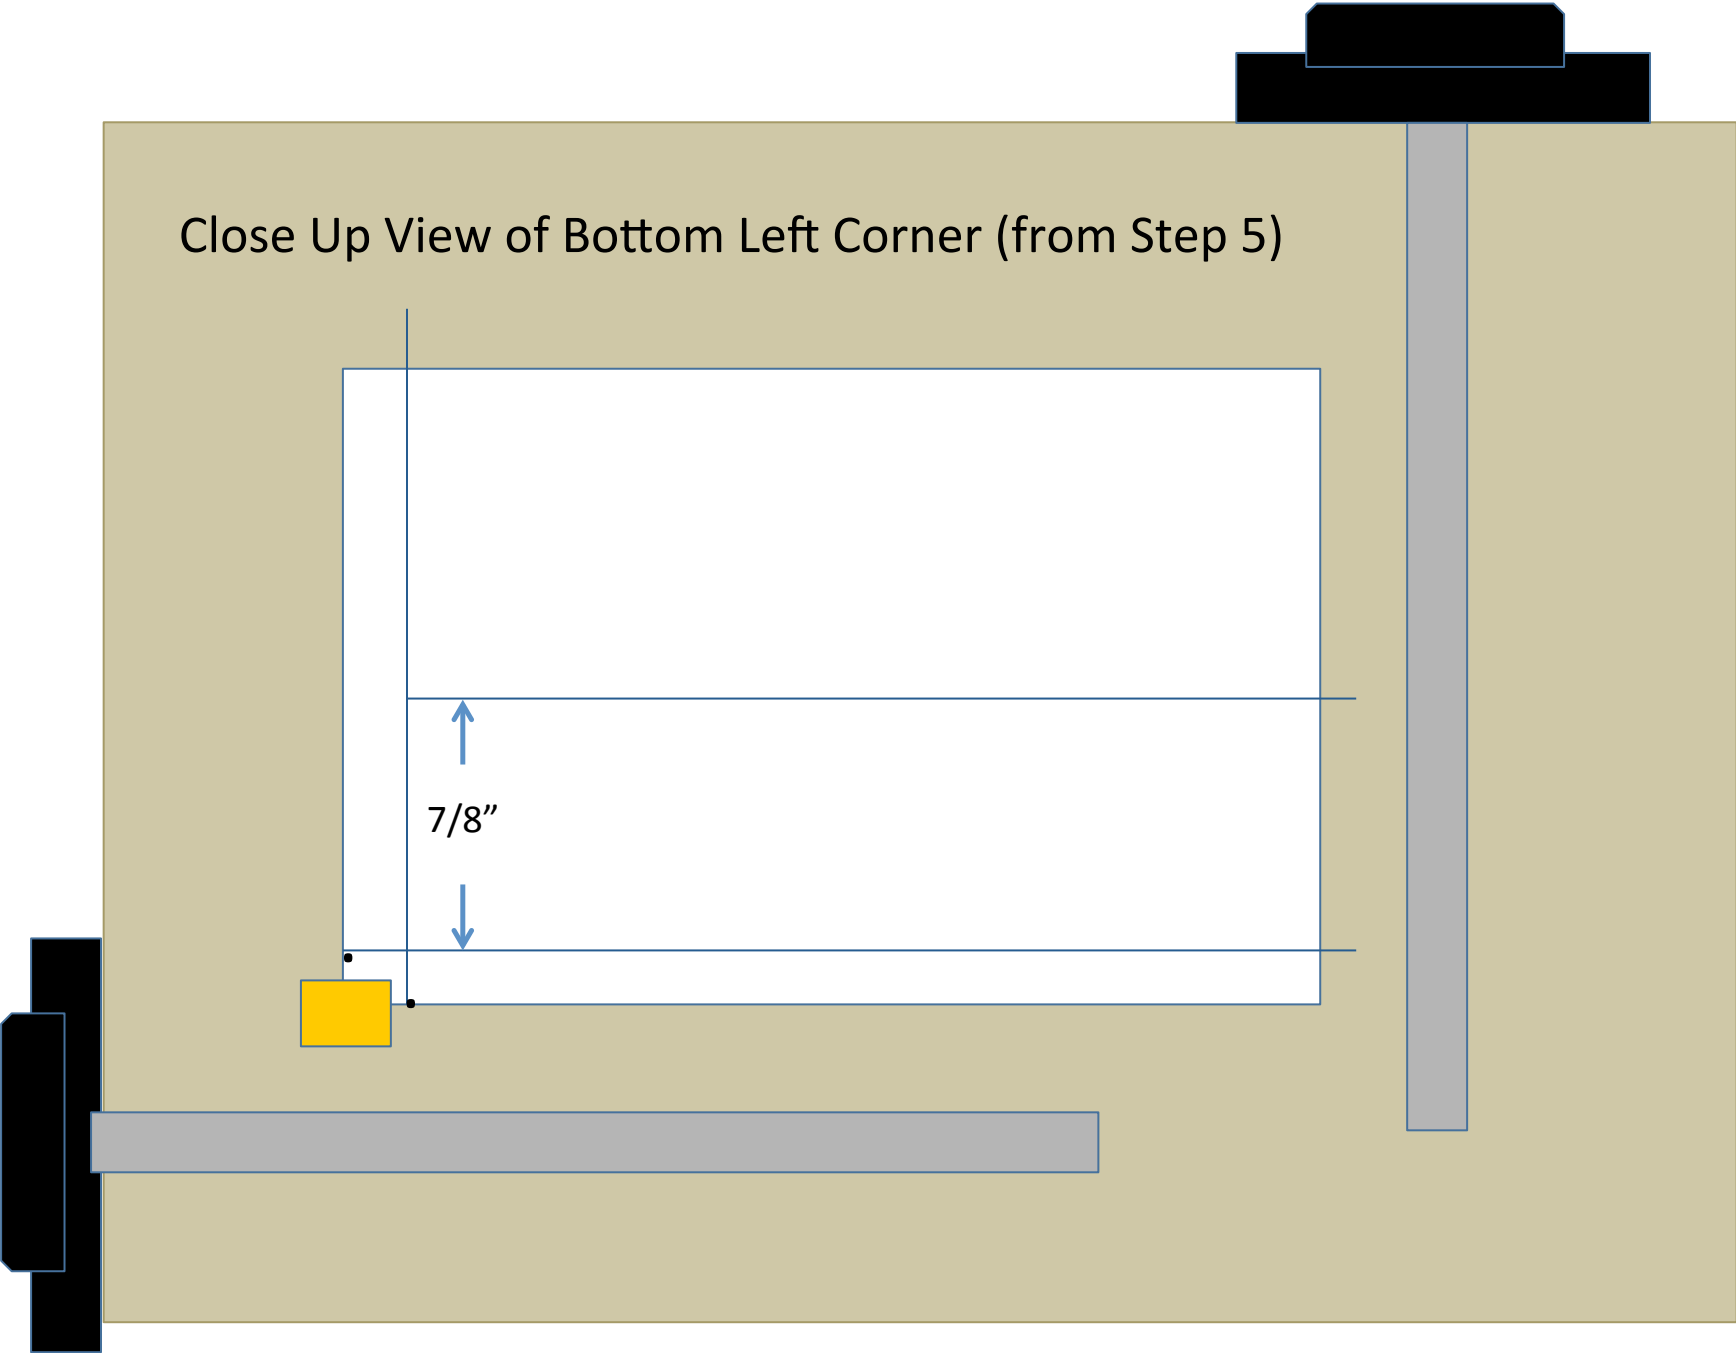

Step 4: Connect the Dots

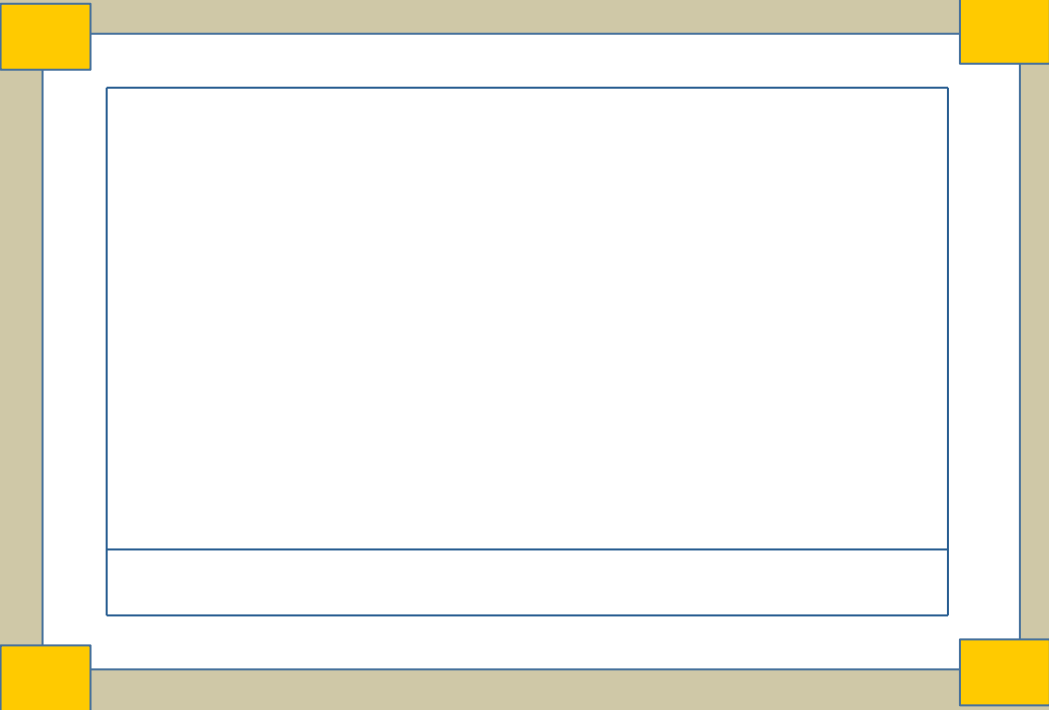

Step 5: Measure $7/8$ " from the bottom line up and draw a horizontal line (*see next slide*)

Close Up View of Bottom Left Corner (from Step 5)

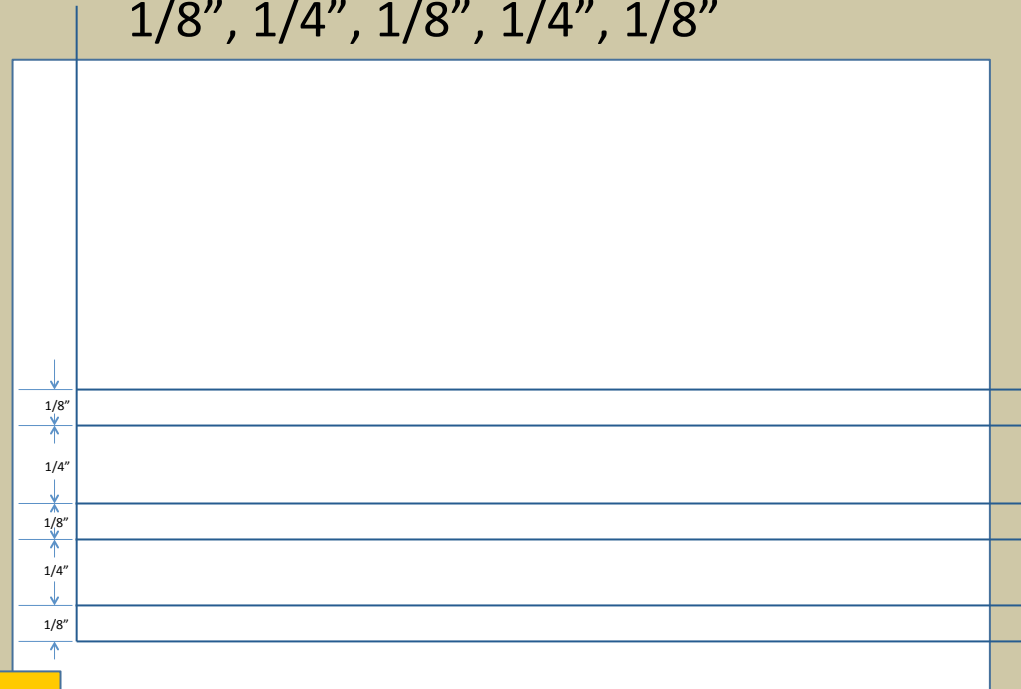

Step 6: Erase the lines outside your Title block

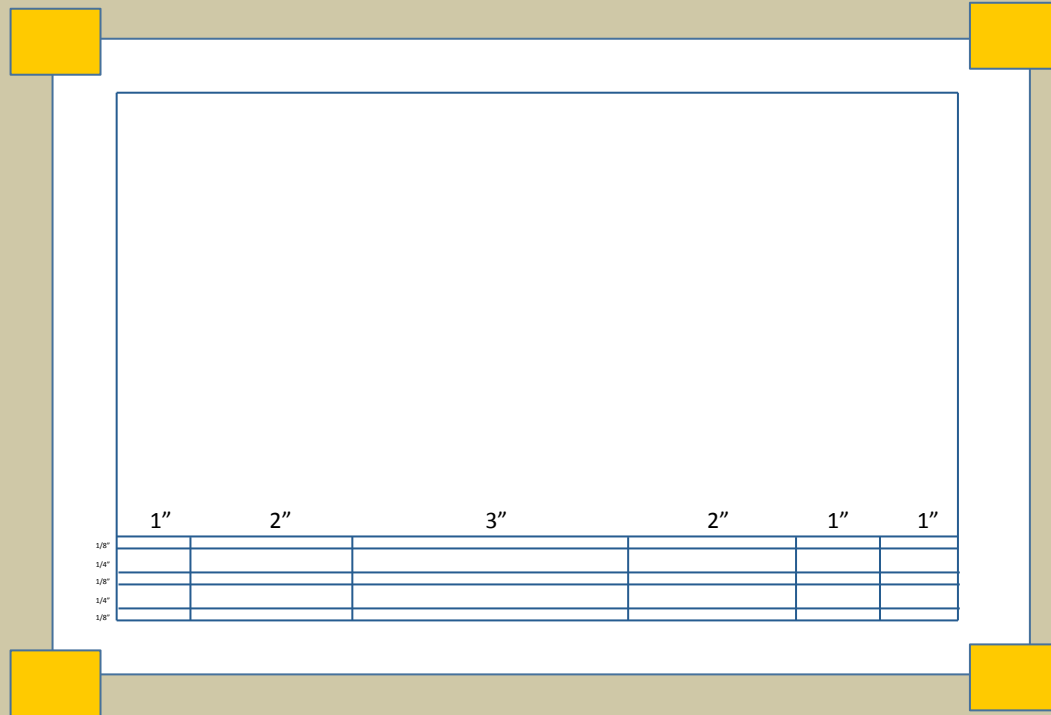

Step 7: At the bottom of your title block create your horizontal lines. Measurements are:

$1/8''$, $1/4''$, $1/8''$, $1/4''$, $1/8''$

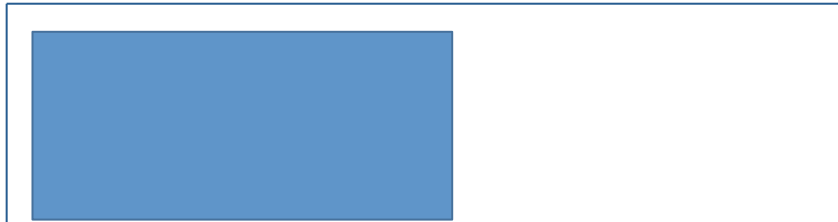

Close up view of bottom left corner

Step 8: Create your vertical lines inside your title block

YOUR TITLE BLOCK

| | | | | | | | |
|---------------------|------|------------|-------------------|---------|-------|-------|---------------------|
| | 1" | 2" | 3" | 2" | 1" | 1" | |
| <small>1/8"</small> | CAD | YOUR NAME | TITLE OF DRAWING | TEACHER | DATE | DWG # | <small>7/8"</small> |
| <small>1/4"</small> | PD # | W.H.S.A.D. | BROOKLYN NY 11211 | TEACHER | SCALE | | |
| <small>1/4"</small> | | | | | | | |
| <small>1/8"</small> | | | | | | | |

Clean up:

Your table should look like this before
the bell rings
