College and Career Month Events

9th Grade Speaker Series – speakers from Gensler (a Manhattan-based architecture firm) will be coming to speak in 9th grade classes about different career options in architecture, design, engineering, and related fields. See Mr. Geringer and Mr. Rodriguez with questions.

Bottom Line Presentation – Bottom Line is a non-profit organization that helps students with applications for college and financial aid. See Ms. Terraferma with questions.

Art Deco Society – presenters from the Art Deco Society will be teaching a mini-unit in the 9th grade CTE classes, culminating in a trip to Rockefeller Center. Ask Mr. Geringer or Mr. Rodriguez for more information.

Makeville – for the third semester in a row, students will travel to Makeville studios for a hands-on woodworking class with Ms. Moos and Mr. O'Brien

Resume Workshops – Ms. Wilson will be conducting workshops to assist students with their resumes and applications for the summer internships.

CUNY Presentation – A representative from CUNY will be speaking with 10th and 11th graders about the CUNY application process and assorted opportunities across the CUNY system.

For other events, speak to your guidance counselor!
